

Sono disponibili gli atti del convegno internazionale Water scarcity & drought che si è tenuto il 25 e 26 ottobre scorsi a Bologna.

Per scaricare i documenti cliccare sul link "download" a fianco dei relativi interventi.

Water

Scarcity and Drought

**“Conservazione
dell’acqua e siccità”
e “Cambiamento
climatico e gestione
delle risorse
idriche”** sono i temi

principali del
workshop, il cui
obiettivo è
promuovere
un sistema
interregionale di
politiche e azioni
integrate.
L’incontro
internazionale è
organizzato da tre
Regioni di Italia,
Germania
e Spagna:
Emilia-Romagna,
Assia e Aragona.

25-26 Ottobre 2007
